

Welcome to the 1999 Mid-Missouri Annual Banquet

Thank you for your support and participation. Here is a brief summary of TU and its accomplishments.

1999 MID MISSOURI TROUT UNLIMITED BANQUET

What is Trout Unlimited?

Trout Unlimited is a national conservation organization founded in Michigan by a small group of anglers and conservationists. The purpose of Trout Unlimited is to preserve, protect, and enhance the cold water resources of North America. Trout Unlimited now includes more than 30,000 members organized into over 330 local chapters nationwide. The purpose of Trout Unlimited is to preserve, protect, and enhance the cold water fisheries of North America. These goals are accomplished by:

- Working with state, federal, and other agencies involved with scientific research and field projects.

* Mid-MO was honored by the Conservation Federation of Missouri as the Conservation Organization of the Year.

Welcome to the Mid-Missouri Trout Unlimited Annual Banquet

Thank you very much for supporting our organization. Here is a brief summary of TU and its accomplishments.

What is Trout Unlimited?

Trout Unlimited is a national conservation organization founded in Michigan by a small group of anglers and conservationists. The purpose of Trout Unlimited is to preserve, protect, and enhance the cold water resources of North America. Trout Unlimited now includes more than 80,000 members organized into over 330 local chapters nationwide. The purpose of Trout Unlimited is to preserve, protect, and enhance the cold water fisheries of North America. These goals are accomplished by:

- Working with state, federal, and other agencies involved with scientific research and field projects.
- Physically cleaning up streams and lakes and restoring degraded trout and salmon habitat.
- Maintaining water quality surveillance programs.
- Calling for protection, identification, and special management of our blue ribbon waters.
- Helping in any way to maintain genetically unique stocks of trout, salmon, and steelhead.
- Protecting salmonid habitat by encouraging integrated watershed management, supporting good forestry and agricultural practices, and advocating intelligent land development.

Mid-Missouri Trout Unlimited: A Premier Conservation Organization

The Mid-Missouri Chapter of Trout Unlimited is a volunteer organization dedicated to the conservation and preservation of cold water streams in Missouri. While National Trout Unlimited works at the national level on conservation issues, local chapters such as the Mid-MO chapter work on habitat improvement and conservation at the local level. The mission of the Mid-MO TU Chapter is to conserve and preserve Missouri's cold water resources for future generations of Missourians.

The accomplishments of the Mid-MO chapter on behalf of Missouri residents include:

* Mid-MO TU was awarded a 1994 and 1995 Silver Trout Award in recognition of Mid-MO TU's conservation efforts. Mid-MO TU has consistently been recognized as one of the best TU Chapters in the United States and numerous articles describing Mid-MO's conservation efforts have appeared in national, state, and local publications.

* Mid-MO TU was honored by the Conservation Federation of Missouri as the 1994 Conservation Organization of the Year.

* In 1993/1994, the Mid-MO chapter initiated and provided funds for a third party purchase of a mile of Mill Creek, one of our state's few streams with a self-sustaining population of wild rainbow trout.

* Mid-MO TU was awarded the 1996 Excellence in Riparian Management Award from the U.S. Forest Service for our work with Mill Creek.

* Mid-MO TU members participate in stream habitat improvement projects on Mill Creek, Spring Creek, and Barren Fork Creek in cooperation with the Missouri Department of Conservation and the U. S. Forest Service.

* Mid-MO TU provided the impetus and a portion of the monies for the construction of the handicapped-accessible fishing access on the Current River at the Baptist Camp access.

Monthly meetings are held at 7:30 on the first Tuesday of each month. Call the president for the location and program for our next meeting or for additional information concerning our chapter. Membership in National Trout Unlimited automatically will make you a member of our local chapter (no additional fees required). Trout Unlimited memberships are being made available at this banquet. Becoming a member of TU will enable you to receive the following:

- a subscription to TROUT, a quarterly magazine published by Trout Unlimited.
- a monthly Mid-Missouri Trout Unlimited newsletter.
- a subscription to Missouri Wildlife.

In this last year Mid-Missouri Trout Unlimited has spearheaded a project to acquire land along Capp's Creek in Southwestern Missouri to conserve for all Missourians; please help us make this purchase possible with your donation.
