It's time again to pay the clubs annual activity fee of 8.00. The money supports this news letter and other club activites. Your remittance is needed now. The tresurer reports only half the club has contributed to date. At \$8.00 it's a bargain.

A BIG THANK YOU.....

Mid-Missouri TU is off and rolling, a special thanks to Nello Donati and Dr. Charles Brooks who have completed one year terms on the board of directors. A long distance thank you to Jeff Barnes who has kept us all informed through the newsletter. Jeff will be testing new waters in Kansas City.

A NOTE FROM ED

As out going president I want to thank each of you for your support of TU and this chapter. I am pleased and proud of what you've accomplished this past year. The chapter is solidly in place with a strong core of sportsmen (and women) who will are committed to our world around us. I for one want to keep on growing, learning and having fun. LET'S ALL DO IT!!!!

DECEMBER MEETING

Bart Elliot and Jeff Barnes presented an excellent slide show on fishing trips they have taken to the Catskills. They reported excellent fishing with surprisingly uncrowded waters. Bart and Jeff expressed a willingness to organize an upcoming club expedition to the Catskills, for an upcoming summer. It should be great fishing on famous strams at bargain prices.

JANUARY MEETING

The feathers were flying and the fur was thick as club members had an opportunity to swap, bargain, and haggle over fly materials at the Dec. meeting. Bill Lamberson generously donated out of his fly boxes and offered bargain hunters his expert renditions at the rate of 12 for two dollars you pick-em-you-got-em.

SPRING CREEK TREE PLANTING

If you con't be with us at the tree planting but still want to do your part contact Ed Sullivan at 474-6647. donations are needed of Chili, or other food stuffs to feed those hungry tree planters.
